## News and Stuff :

### More Weird Projects

Some of my soap-making efforts can be purchased [here](#). Warning: **Not Safe For Work**.

### Comments on Anthem Breach

I get a lot of media requests, and this morning I was awakened by a call from The Third Estate asking if I had any comments on the Anthem breach. I was on the road yesterday and didn't have a chance to do any research on it, so I was caught flat-footed. Fortunately, I had my "[Security Expert Comment Generator](#)" that I wrote a few minutes ago...

### Edgertronic Camera: Review

I've always had a love for slow-motion; don't know why, but I do. I recently finally managed to acquire a high-speed camera that does quality captures at an amazingly affordable price. [Here's my review](#).

I Won't Speak at Conferences Unless They
