I desire to inform you that
Security Affairs is now open to
sponsored content.

I'll offer the opportunity to:

- Insert banners of various sizes in all the posts on Security Affairs.
- Publish sponsored posts written by the customers that can include any kind of commercial reference.
- Arrange a monthly/quarterly/annual campaign (for big customers) to advertise customers' activities and discoveries.

Pierluigi Paganini

Pierluigi Paganini is Chief Information Security Officer at Bit4Id, firm leader in identity management, member of the

ENISA (European Union Agency for Network and Information Security) Treat Landscape Stakeholder Group, he is also a Security Evangelist, Security Analyst and Freelance Writer. Editor-in-Chief at "Cyber Defense Magazine", Pierluigi is a cyber security expert with over 20 years experience in the field, he is Certified Ethical Hacker at EC Council in London. The passion for writing and a strong belief that security is founded on sharing and awareness led Pierluigi to find the security blog "Security Affairs" recently named a Top National Security Resource for US. Pierluigi is a member of the "The Hacker News" team and he is a writer for some major publications in the field such as Cyber War Zone, ICTTF, Infosec Island, Infosec Institute, The Hacker News Magazine and for many other Security magazines. Author of the Books "The Deep Dark Web" and "Digital Virtual Currency and Bitcoin".
